

## GOOD SHOWING AT PURDUE BY LOCAL TEAM

PLACE FIFTH IN JUDGING  
AND SECOND IN VOCATIONAL DIVISION

The Greencastle High School Livestock Judging team placed fifth in the championship event held at Purdue University over the week end. Thirty teams who had previously won county and district titles competed, with a veteran team from Rush county finally winning the championship by a narrow margin. Although the local team finished fifth, only a few points separated the top six teams. The Greencastle team was made up of Jack Moss, Warren Harlan, Myron McMains and Lester Abbott and were coached by Gene Akers. All members of this team were judging in the state finals for the first time and gave an excellent accounting in consideration of the fact that they have several years of eligibility before them. Coach Akers had only words of praise for the boys today when he reviewed the contest results. He said, "These boys have worked very hard and are very deserving of all the honors that they have won. Every member of the team did all that could possibly have been expected of him and I am proud to have had the opportunity of working with them."

Individual honors were won by Jack Moss and Warren Harlan when they placed sixth and seventh respectively among the 120 contestants on combined scores in judging swine, horses, beef cattle and sheep. Final tabulations showed the Putnam county boys to be the second high team in the vocational agricultural division—ranking only seven points behind the winners from New Castle. Last year's championship team from Greencastle High School set a new scoring record by scoring 1622 points out of a possible 1800 points. This record was not approached by the new champions from Rush county.

## Holstein Brings A Fancy Price

The State Sale of Holstein breeders was held at Lafayette last Friday and high grade Holstein cattle from throughout Indiana were consigned to the sale. Among the offerings was one by Eric Boesen from the Boesen Dairy farm south of Greencastle. The animal, registered as Pie-by Wayne Mary 2490501, sold for \$490, second highest animals to be sold at the sale, and the top cow brought only \$10 more than the Boesen offering.

The cow was six years old and was \$50 above the average price of all animals offered in the auction. It went to a buyer from South Bend. This cow was the tenth daughter of the herd bull Hidden Gold Papoose Count, which Mr. Boesen has sold for more than \$450. The sire of the cow died suddenly some time ago while "arguing" with another bull through a fence. He was quite fat and was supposed to have had a heart attack.

## 20 Years Ago IN GREENCASTLE

Evelyn Ayler, Bonnie Moffett and Estella Shoptaugh spent the day in Indianaapolis.

Matt J. Murphy was reported on the sick list.

Mrs. Elmer Stratton was hostess to the Coterie Club.

Miss Jane Farmer was in South Bend attending a Young People's Religious Conference.

Mrs. E. D. Malone and children of Gallatin, Tenn., were visiting George Crump.

### HEARING HELD

A representative of the State Board of Tax Commissioners conducted a hearing Monday in the auditor's office at the court house. All county, township and municipal budgets and tax levies for 1946 were considered as a climax to work completed previously on these items by the Putnam County Council and the Tax Adjustment Board.

## Justice Dept. Drops Indiana

WASHINGTON, Oct. 16.—The Justice Department announced today that all investigation on the Indiana election in 1944 had been dropped and no further investigation or charges will be made because of the lack of evidence. A senatorial committee, headed by Sen. Stewart, Democrat of Tennessee, came out to Indiana and investigated, but found nothing irregular and then political forces brought the Justice Department into the picture and they made another investigation and their final report today.

## Council Holds Brief Session

The city council held a brief business session Monday night with Mayor Walter Ballard presiding. Others present were Councilmen Kenneth Bryan, Rex Thornton, Ward Mayhall; city attorney Frank Stoessel, and clerk-treasurer Mary Jane Black.

Following reading of the minutes of the previous meeting, E. A. Browning was granted permission to repair roof at 24-26 East Washington street; Porter Downey to repair roof at the Voncastle theater, and Otis Browning to repair house at 120 West Berry street.

The claim ordinance was introduced and passed by unanimous vote after which the council adjourned.

## Will Give Play At Bainbridge

"Grandad Steps Out," a hilarious play, is to be given by the Bainbridge high school juniors, October 19, at 8:00 p. m. in the Bainbridge gym. The cast follows:

Mrs. Laura Morton, a pleasant looking woman of about forty  
Alice Shoemaker  
Grandad, a crochety old man of about sixty  
Russell Zenor  
Tilly, a green country maid  
Evelyn Jane McBride  
Betty Shaddock, an attractive girl about 19  
Dorothy Job  
Kip Shaddock, a regular boy of 14  
Gerald O'Hair  
Trudie, Judie, and Ludie  
Norwood, triplets  
Patricia Costa  
Garnet Proctor, Doris  
Keck  
Jack Norwood, a young man about 20  
Dale McFarland  
Jim Mahoney, a tall, heavy-set man about 60  
Jim Michaels  
Miss Abbey Higgins, a coy, old, man-crazy maid  
Nora Alice Eggers  
Mrs. Jobe Feeney, a tall, heavy-set country woman, about 50  
Norma Stoner  
Detective, thinks he knows it all but is really stupid  
Tressman Goode

Grandad, ill a year ago, is still considered an invalid by his daughter, Mrs. Morton, who feeds him on nothing but soup and crackers while he dreams of thick, juicy steaks. An old friend, "Big Jim Mahoney," returned from "out of Arizona" and plans to stage a supper for all of his boyhood pals.

Jim helps Grandad make plans to get him out of the house without his daughter knowing.

This creates much confusion and excitement in the Morton household. Come and see what happens when Grandad is found missing.

Entertainment between acts will be furnished by Carolyn Connerly and Charlie Evans of Clinton Center.

### MARRIAGE LICENSE

Bruno Polifroni, Terre Haute, and Mary J. Costa, Greencastle, Route 1.

## NEW YORK'S WATERFRONT UNDER GUARD

VIOLENCE CHARGED BY CIO  
SEAMEN IN DOCK  
STRIKE

NEW YORK, Oct. 16.—(UP)—Special squads roamed New York's waterfront today to prevent an outbreak of violence as CIO seamen charged they had been beaten with brass knuckles and blackjacks in the 16-day-old AFL dock workers strike.

The strike was shaking down to a fight between rival factions for control of the AFL's International Longshoremen's Association.

Mayor Fiorello H. La Guardia promised "there will be no rough stuff." He ordered extra motor and foot patrolmen to tour oil piers and docks.

La Guardia's order came after 500 members of the CIO's National Maritime Union marched on city hall with two bandaged seamen who they said had been beaten by "Ila President Joseph P.) Ryan's goons."

La Guardia's police commissioner Arthur W. Wallander promised them "full protection."

Ryan, seeking to retain control of the Ila's 30,000 members, said more than 6,000 returned to their jobs yesterday.

William E. Warren, leader of an Ila Insurgent group, said only a "handful" of Ryan's followers had returned to work.

Police said they counted 4,500 back on their jobs in Manhattan and Brooklyn yesterday.

A counter charge of attempts at violence was made by Ryan who charged that NMU "goons" were intimidating stevedores who wanted to end the walk-out which has paralyzed almost all shipping in the New York harbor since Oct. 1.

The strike ostensibly started over the size of sling loads and demands for higher wages, but soon developed into a factional fight between Ryan and 3,000 Brooklyn insurgents led by Warren.

Ryan and the New York ship owners association turned down a plan by La Guardia which called for an election of a new negotiation committee by the strikers.

"The mayor's plan is the silliest thing I have ever heard," Ryan said. "The regular negotiating committee is ready and able to meet with the ship owners."

Warren's followers were prepared to accept the mayor's plan if the New York ship owners association agreed.

## Rites Wednesday For Mrs. Albin

Friends may call at the Funeral Home.

## MRS. ISABELLE FOXX IS AWARDED BRONZE STAR

Mrs. Isabelle Foxx of Route 4, Greencastle, received the Bronze Star medal posthumously awarded to her husband, Pfc. Charles W. Foxx of the 1st Division, in ceremonies at Fort Benjamin Harrison last week. Colonel Edward L. Strohhorn, new post commander, made the presentation.

Pfc. Foxx who is a graduate of the Greencastle schools, was employed by DePauw university prior to his induction in April of 1944. He took his basic training at Camp Robinson, Ark., and went overseas in September of the same year. He was wounded in Belgium in January, was hospitalized for two months and killed in action on the same day that he rejoined his outfit in April, 1945.

His father, Charles Foxx, and two brothers, Paul Foxx and Russell Foxx, all reside in Greencastle. Mrs. Foxx who is employed at the G. C. Murphy Co., store here is the mother of two small children, Janice, 5, and Frankie, 2. Mrs. Ralph Runyon, her sister whose husband is stationed in India, accompanied her to Fort Harrison for the award.

## Fillmore Marine Writes Parents Of Nagasaki Atomic Bomb Destruction

Jack Lydick, United States Marine Corps, has written the following interesting letter to his parents, Mr. and Mrs. Ott Lydick of Fillmore, describing the destruction caused by the atomic bomb on the Japanese city of Nagasaki:

Dear Mother,

This is going to be a hard letter for me to write in as much as since coming to Nagasaki that I have seen so many things that I don't know how to express them. I wish I was an author, then maybe I could explain them more clearly. People would not believe this unless they actually saw it. I will do my best however. So I will start at the first when we left Sasebo.

Sasebo is about fifty miles north of here. We came down the coast on LSM. It is a landing craft for tanks and such. We landed about 5 p. m. on the 29th of September. We stayed on the docks for a couple of hours while they were unloading our boat and getting transportation for us. While we were at Sasebo we were with the Fifth Division—now we are with the good old Second Division. The Second is so much better than the Fifth that it is not even funny. At Sasebo the Fifth did not give us any transportation and we had to walk five miles. Here the Second furnished us trucks to carry us about five blocks. We are sleeping in a warehouse on the docks. On the walls and floor you can see the stains where the Japs had stacked their own dead after the atom bomb, so you can imagine the smell we had to suffer the first night. Now we have creosote sprinkled around. It stinks but it is a clean smell.

The Japs here are just like they were in Sasebo—always coming up and begging for candy and cigarettes. It sure is pitiful. A person really feels sorry for them but then one gets used to thinking about how they would be treating us if they were marching into the good old U. S. A. But the Americans are weak sentimentally and sentiment wins out and everyone feels sorry for them and gives them all he can spare.

Well to get back to the first night. We got through that O. K. except for a few mosquitos and fleas. (We just got the word that a typhoon is blowing this way and it will be due here in about one hour. Hope I get to finish this letter. It sure is getting dark.) There are small ships tied to the dock here and they have movies on the decks at night and everyone crowds around on the dock and strains his neck and ears so he can see and hear. I have been pretty lucky, both nights I have been up close so I could see and hear good. We saw "When Strangers Marry" and "Saratoga Trunk."

The water here is very bad. Full of every kind of disease, especially venereal diseases, beri beri, malaria. We are not allowed to use it although some of the fellows used it the first morning before they found out. It rained all morning yesterday and we all got a good shower by standing in the rain and filling our helmets.

Well, now comes the part I don't know how to explain. Yesterday afternoon we took a jeep and went through the area of the atom bomb. I saw destruction of the kind I never want to see any where else. A person has some kind of a feeling that can't be expressed as he travels through the area. It is over three miles through it and there is nothing but rubbish left. The Fiat traveled up the valley, demolishing everything. All that is left of big iron mills is the steel girders of the walls and good stags \$14.10.

## MRS. HANKS PASSED AWAY AT HOSPITAL

SERVICES THURSDAY FOR  
PROMINENT MONROE  
TWP. RESIDENT

Mrs. Emma Florence Hanks passed away at the Putnam County Hospital Tuesday, October 16, at 6:30 a. m.

Mrs. Hanks was born January 20, 1882 in Franklin township. She is survived by her husband, Aden Hanks of near Bainbridge, three brothers, James Hale of Richmond, George Hale of Roachdale and Harvey Hale of Fincastrle, six grandchildren, several nieces and nephews.

Funeral services will be held in the Bainbridge Christian church, Thursday morning at 10:30. Rev. Frank Smith will be in charge of the service. Friends may call at the home after five o'clock Tuesday evening. Burial will be in the Brick Chapel cemetery.

## YOUTHFUL OPERATOR GETS INTO TROUBLE

Guy V. Chammess, Indianapolis youth of 18 years, who has been employed at the Big Four station as an operator, and who was arrested Monday, on a petty larceny charge for stealing railroad tickets and cash from the railroad safe, was fined \$5 and costs and sentenced to the State Farm for 100 days Tuesday by Judge John H. Allee. The sentence to the State Farm was suspended, providing the youth stays out of Putnam county.

The youth told the officers that he had taken part in a dozen Indianapolis robberies and even admitted an Irvington groceryman, but they were all false, as was proven by an investigation.

## Death Summons Mrs. Mary Cricks

Mrs. Mary Shonkwiler Cricks, age 72, passed away at her home in Clinton township Monday afternoon after an extended illness.

The deceased was born and raised in Putnam county and spent most of her life in the neighborhood where she died.

Her husband, George Cricks, preceded her in death in 1942.

Survivors are one daughter, Mrs. Goldie Norman, three grandchildren and one great grandchild, one sister, Sarah Jean Shonkwiler and two brothers, William and John S. Shonkwiler, and other relatives.

Funeral services will be held Thursday afternoon at 2:00 at the Rector Funeral Home and burial will be in the Little Walnut cemetery in Clinton township.

Friends may call at the funeral home.

## FAMOUS PLAY BANNED IN SPRINGFIELD, ILL.

SPRINGFIELD, Ill., Oct. 16.—(UP)—A stage presentation of "Uncle Tom's Cabin," adapted from the civil war novel instrumental in abolishing slavery, was banned today in the city where Abraham Lincoln was buried.

An order canceling two performances scheduled for next Monday was issued last night at the request of the Springfield chapter of the National Association for the advancement of colored people on the grounds the play was "derogatory to the welfare of the negro race."

Mayor John W. Kapp issued the order after Nancy representatives presented him with a resolution criticizing Harriet Beecher Stowe's famous novel because "it pictures the negro as an illiterate, irresponsible person and would inflame anti-negro sentiment."

The group charged the play was to have been staged here as part of a propaganda campaign to hold the negro race up to ridicule.

The play recently was banned in Massachusetts. It was staged in Bridgeport, Conn., over the protests of the Bridgeport committee on unity, friendship and amity and the Bridgeport pastors association.

## Group Enjoys Clinton Trip

The Methodist Youth Fellowship of the Gobi Memorial Methodist church made a trip to Canton on Sunday, October 14th, for a District Conference. A school bus was chartered for the occasion. Upon arriving the 26 Greencastle young people registered. A worship service was conducted after which group discussions were held. Four groups met, discussing Community Service, Recreation, Worship, and Missions. In the Community Service group Mary Ann Bills was the group leader. Dr. John Tennant was resource person in this group. Bill Blessing of DePauw headed the Recreation group discussion. All groups met in the gymnasium following the discussion period and went on a hike. Supper was served by the M. Y. F. Mothers of Clinton when the young people returned from the hike.

Rev. Samuel Carruth of Terre Haute led the evening worship service. The Greencastle group aided in the choir at this service. In the absence of Alice Sheridan, treasurer of the District M. Y. F., Mildred Greenleaf acted as treasurer and had charge of the offering.

Greencastle received the pennant for having the largest attendance of any church represented. Twenty-six attended from Greencastle.

### NIECE KILLED

Mrs. Edgar Stevenson received word yesterday of the death of her niece, Mrs. Ross White of Arizona. Mrs. White was killed in an auto accident, and her husband badly injured, while en route to visit one of their sons in the U. S. service in California.

Mrs. White was the only daughter of Mr. and Mrs. J. A. Akers of Indianapolis, the latter a sister of Mrs. Edgar Stevenson. Mrs. White spent her girlhood in Indiana and her sudden tragic death was a great shock to her family and friends.

## ABDICATION OF EMPEROR URGED BY JAP MOB

GROUP HOLDS DEMONSTRATION OUTSIDE MACARTHUR'S OFFICES

TOKYO, Oct. 16.—(UP)—Three hundred Japanese demonstrated outside Gen. Douglas MacArthur's headquarters today for abdication of Emperor Hirohito and permission to import food to avert mass starvation.

The demonstrators, claiming to represent 2,500 members of a democratic mass labor party, sent a delegation into supreme headquarters with a declaration of their aims.

They sought:

- 1.—Replacement of Hirohito with 11-year-old Crown Prince Akihito.
- 2.—Resignation of all high Japanese civil and military officials and suspension of their pensions.
- 3.—Abolition of the peerage and resignation of the entire lower house of the Diet.
- 4.—Publication of war truths and an explanation of the reason for the present military budget.
- 5.—Distribution of food now held by the military.

The declaration was delivered to an interpreter. Though written in English longhand, it was not turned over immediately to MacArthur. The delegation was especially concerned over food shortages.

Armed sentries stood outside the headquarters during the demonstration, but there was no disturbance. The demonstrators carried banners proclaiming: "We are starved. We need food."

A spokesman for the group said the new Japanese premier, Eizon Kijuro Shidehara, earlier had refused to receive a delegation from the party.

MacArthur said in a radio speech to the world only a few hours before the demonstration that a revolution "was properly an evolution" which will restore the "dignity and freedom of the common man" already has begun in Japan.

He said Japanese civilians were learning a great lesson from the democratic conduct of American troops.

"They have, for the first time, seen a free man's way of life in actual action and it has stunned them into new thoughts and new ideas," MacArthur said.

"It will take much time and require great patience, but if world public opinion will permit these two essential factors, mankind will be repaid. Herein lies the way of true, final peace."

MacArthur gave the lie to earlier Japanese propaganda reports that American troops had raped, pillaged and looted in the initial days of the occupation.

"With few exceptions," he said, "they could well be taken as a model for all time as a conquering army."

MacArthur said the Japanese armed forces were so scattered and immobilized before the surrender that their ultimate defeat was certain. At the same time, however, he conceded that an invasion of Japan well might have cost hundreds of thousands of American lives.

MacArthur said all Japanese armed forces in the homeland now have been demobilized. Altogether, approximately 7,000,000 in Japan and overseas have laid down their arms.

A score or more Boy Scouts and Scout leaders enjoyed a week end jamboree at Robe-Ann park during the past week-end. The weather was cool, but clear and the boys and leaders had some real experiences in keeping their fires burning and otherwise living in the wide-open outdoors. Their outing was not all play, as a busy program had been mapped out for them by the leaders and it proved to be an interesting week-end for all participating.

## Passengers' choice for the Coach of Tomorrow

When New York Central asked wartime passengers to become its post-war plans committee... tens of thousands responded. Eagerly they answered questionnaires... voting on newly developed ideas... choosing from features found on Central's latest equipment... giving the Railroad the best possible guidance in planning its finer Trains of Tomorrow.

### Here's how they voted on coach travel

☒ **WIDE VIEW WINDOWS**... This was the winning window... extra wide, and non-fogging... ideal for viewing the scenic Water Level Route.

☒ **RECLINING SEATS**... The vast majority voted for adjustable coach seats developed from those now on trains like the Empire State Express.

☒ **"NEWS & VIEWS"**... 70% favored a Public Address System to announce stations and points of interest.

☒ **CONDITIONED AIR**... Passengers voted 72% about right for winter. But for summer, most felt air conditioning should vary somewhat with temperature outdoors.

☒ **BIG DRESSING ROOMS**. Lounge-type dressing rooms were preferred 2-to-1 as against a number of small, individual washrooms.

### HANNA HONORED

G. W. Hanna of Greencastle was one of several former football stars honored at the homecoming ceremonies at Purdue University over the past week end. Mr. Hanna, a member of Purdue's football team of 1920, received a silver football along with the other members of the team of 25 years ago.

## 1 FOR THE MONEY

Improved Wilson's Evaporated Milk is three times richer in Vitamin D—but costs you no more.

## 2 FOR THE SHOW

Dress up your meals with Wilson's Milk. Its rich, creamy goodness adds flavor to any dish. Whipped Wilson's dresses up dessert, too.

## 3 TO MAKE READY

Keep a few extra cans on your pantry shelf—ready for instant use. Wilson's will keep indefinitely in the unopened can without refrigeration.

## 4 TO GO!

Just watch your family go for hot soups, sauces and casseroles made tempting and full flavored with Wilson's Evaporated Milk.

The recommended minimum daily Vitamin D requirement for everyone (as specified by the U. S. Food and Drug Administration) is 400 units—the amount contained in one pint of improved Wilson's Milk.

### NATIONAL WAR FUND

#### FOR OUR OWN—FOR OUR ALLIES

A call at the campaign headquarters of the Putnam County Community and War Fund, located in the Masonic Temple, early this morning revealed some interesting facts. The first returns from the solicitors and workers are coming in, together with comments as to attitudes found among residents of the county.

Those who have reported reveal that business and industry and the special gifts made during the earlier stages of the campaign approximate the giving by the same groups last year, but some of the individuals contacted have not responded as well as in former campaigns.

The campaign is entering its final days. If Putnam County is to keep its fine record of meeting all quotas and goals for the services necessary for a successful completion of the war job, every individual of the county must consider its his or her personal responsibility to do everything possible to reach the goal of 14,050 for 1945-1946.

The job is not done until everyone of our service men is home, and until the lands of our allies have a chance to recover from the devastation, hunger and disease brought upon them by the war. We are told this is to be the final National War Fund campaign, as another year should see these needs met, and people again on their own.

Think it through, Mr. Average Citizen. Put yourself in the place of a homesome service man and see how much a bit of home brought by the USO would mean to you. Put yourself in the place of a family in France, Belgium, Poland, or the Philippines, a family whose home has been destroyed, its money confiscated by the enemy, and with food clothing and medicines almost nonexistent. If you do this, you'll give, and give generously! If you happen to be one of those who have refused, you may contact your worker, or send your gift direct to headquarters in the Greencastle Masonic Temple.

Mrs. Irma Irwin of Greencastle, Indiana has been admitted to the hospital.

### ON IE SHIMA

S. Sgt. L. L. Porter, Jr., who has been in the Pacific area for the past two years and more, has been moved to Ie Shima, prior to the typhoon which hit there last week, according to word from him. This island is where the Japs flew from Tokyo when they surrendered, as they were en route to Manila. He has turned in all his surplus equipment, his pay record, etc., and is due to start home any day. He has 87 points to his credit. He is attached to the 90th Heavy Bomber Group and will probably fly to the Pacific coast in a B-24 Liberator bomber when he comes.

## Radio Scripts Are Requested

WASHINGTON, Oct. 16, (UP)—The House un-American activities committee has "requested" the radio scripts of six prominent news commentators "for review purposes," it was learned today.

The six men—and the stations or networks over which they broadcast—are Cecil Brown (Mutual), Sidney Walton (WHN-New York), Johannes Steel (WHN-New York), J. Raymond Walsh (WMAZ-New York) and Raymond Swing (American Broadcasting Co.).

A spokesman said the committee "merely wants to review the scripts over a period."

"No charge or implication should be read into the committee's action," he said. "We just wanted to subscribe to these scripts the same way we'd subscribe to a newspaper or periodical."

The scripts, he said, definitely were not subpoenaed.

"I know one of the commentators is under that impression but it simply is not true," he added.

He said the scripts have not arrived here yet, but that he expected the radio stations to comply with the committee's wishes.

Meanwhile, it was learned that

committee counsel Ernie Adamson had contacted Louis F. Budenz, former managing editor of the Communist "Daily Worker," who recently renounced Communism to rejoin the Catholic church.

## Heiress Believed A Mental Case

CHICAGO, Oct. 16—(UP)—A mental hearing today was to be given a woman who psychopathic hospital officials said they were convinced was Mrs. Irene Garrett Bihn Ferreira, a New York heiress, who was found wandering aimlessly about the Chicago Union station.

The woman was registered only as "Mary Doe" at the hospital, where she was taken last Oct. 6. Pacing the hospital corridors endlessly, while chain-smoking cigarettes, she sobbed: "My baby! Oh, where is my baby?"

Hospital attendants said the dazed woman had told them she was Mrs. Ferreira, granddaughter of Charles Manning Van Heusen, shirt and collar manufacturer, and great granddaughter of Isaac Singer, sewing machine industrialist.

The woman was quoted as saying she was en route to Reno, Nev., to divorce her husband after the death of her daughter, Sandra Bihn, 8, several weeks ago.

**VETERAN RETURNS**  
Rev. and Mrs. Ernest Kivett and daughter, Nellie (Kivett) Hurst were pleasantly surprised Oct. 12 by the arrival of Rev. Kivett's brother and wife, Lt. Comdr. and Mrs. Austin Kivett.

Lt. Comdr. Kivett is a veteran of World War I and has been in World War II during the past four years. He has just returned from 22 months on duty in the Pacific combat areas.

He served as Air Combat Intelligence Officer of the carrier U. S. S. White Plains through the Marshalls, Marianas, Palau and Philippine Islands operations and battle of Samar Island.

He has been Air Combat Intelligence Officer on the staff of Fleet Air Wing One Air-Sea Rescue Unit during the last two months of war in navy search and strikes against shipping in the Japanese empire waters.

After an honorable discharge Lt. Comdr. Kivett will return to his law office of Dougherty, Arnold and Kivett in Milwaukee, Wis.

## To 'Crack-Down' On Faulty Lights

INDIANAPOLIS, Ind., Oct. 16—State police yesterday cracked down on one-eyed, blacked-out motor vehicles on order of Superintendent Austin R. Killian. Surveys made by state police

reveal automobiles and trucks with faulty headlights or tail-lights comprise the largest group of equipment violation offenders, Colonel Killian said. These violations are more apparent in urban areas, he said.

"Improperly lighted vehicles constitute a serious traffic hazard in wintertime, when lights must be used longer," he said. The order was given, he asserted, to combat the rising tide of accidents throughout the state.

Indiana law requires at least two headlights and not more than four, all focused, and a tail light visible for 500 feet. Horse-drawn vehicles must have one headlight and a tail light for night use.

Various types of tractor-trailers, outfits, busses and trucks must be equipped with at least three oil burning flares or electric lanterns, visible 500 feet and with a duration of 12 hours, or three 15-minute flares. No flame-producing signal may be carried on inflammable or explosive transports. The signals must be placed 100 feet to the front and rear of the vehicle, with the third beside the vehicle.

Colonel Killian said that failure to adhere to lighting regulations for all vehicles on the public highways is punishable by fine or imprisonment.

## HOSPITAL NOTES

Mrs. Zemina Taylor, south Locust, was admitted to the hospital Monday.

Mr. and Mrs. George Thompson are the parents of a son born Monday night at the hospital.

Mrs. Sam Rariden has been admitted to the hospital.

## MARINE WRITES

(Continued from Page One) they are tied in knots. The leaves are off the trees and they are dead. Everything is scorched. You can't believe how bad it actually is until you have seen it.

The newspapers did not stretch the facts a bit when they described it. If they take any newsreels of it be sure to see them.

You drive around through the area and you see all kinds of bones, animal bones mostly. I wish I could have seen the area before it was blasted just to see what was there. In one place we saw a line of metal lathes all bent and twisted up. There wasn't even a hint that there had been steel walls around them. I never want to see anything like it again although I'll probably go through that place several times yet. I really couldn't believe my own eyes when I saw what one little bomb could do.

The Japs had air-raid shelters carved in rock on the side of hills and they were caved in. I couldn't believe the newspapers until I saw with my own eyes and it is still hard to believe. I saw, total destruction, steel ripped, torn, tied in knots. What I have seen is too much for me to describe. You wouldn't believe it anyway. I sure hope you get to see some good newsreel pictures.

Well I hope I told this in an interesting way. I tried my best. Oh yes, the typhoon is over due now. Maybe it won't come this way.

I don't know how long we will have to stay here. One thing I am sure of—I don't want to stay one minute longer than necessary.

- It has a definite tendency to be less constipating than ordinary milk.
- There are more fat surfaces for the digestive juices to work on, making the milk more readily digestible.
- It tastes richer, looks richer.
- Easy to prepare for Baby feedings.
- The last glass contains as much fat as the first.
- Right flavor for breakfast foods.
- It is a smoother and more palatable drink.
- It makes better milk drinks.
- The cream is blended into Homogenized milk, not merely mixed. The result is a finer flavor.
- It improves the texture of and imparts a richer flavor to cocoa, custards, cream sauces, sou

Of Tired Kidneys

If backache and leg pains are making you miserable, don't just complain and do nothing about them. Nature may be warning you that your kidneys need attention. The kidneys are Nature's chief way of taking excess acids and poisonous waste out of the blood. They help most people pass about a pint a day. If the 15 miles of kidney tubes and filters don't work well, poisonous waste matters stay in the blood. These poisons may start nagging backaches, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent uric acid pressure with smarting pains in the joints—these are the signs of kidney trouble. Don't wait! Ask your druggist for Doan's Pills, a stimulant, diuretic, used successfully by millions for over 40 years. Doan's gives happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood. Get Doan's Pills.
